

SHEBOYGAN COUNTY 4-H
HORSE & PONY COMMITTEE

COUNTY FAIR STALL ASSIGNMENTS

For the past 15 years, Sheboygan County 4-H Horse & Pony Project has utilized fundraising as an incentive for stall selection at the Sheboygan County Fair. Because of the importance of education as well as financial support needed to provide the opportunities for members each year, the Horse & Pony Project will utilize new criteria for the county fair stall assignments. Criteria will be based on the following three items:

- Meeting attendance (30%)
- Hours of service (30%)
- Sponsorship dollars generated (40%)

Each criteria will be based on a club's average per project member person exhibiting at the Sheboygan County Fair. Each criteria for each club will be ranked from highest to lowest for.

The rankings for each of the three criteria will be added to determine a final ranking for each club. The final ranking will be ranked lowest to highest and will determine the order clubs will select an area within the barn they would like to be housed for county fair.

For more information regarding stall assignment for county fair, please contact the 4-H Horse & Pony Project Chairperson.
