

## Points to Remember

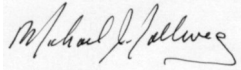

Return the registration form at least 10 business days before the class you wish to attend.

Plan to stop by the Extension Office and pick-up the manual if possible. (We must have payment in hand.)

The completed "Training Registration Form" inside the front cover of your manual is your ticket into the training program. Please remember to bring your photo ID.

This is an open-book exam and you will be able to use the manual during the exam.
